**Subject:** 9/21/16 Tatooine photos

Hi Joyce,

it was good to talk to you and Erik this afternoon. As I mentioned, both Tatooine buildings have been compromised since the EPA emergency removal on 6/30/16. The big building has a new window broken into what was formerly the main office and the small building has the door opened. I did not go on-site to check the extent of compromise.

If you have any questions, please feel free to contact me.

Joel
